Sofia Marino is a kick-ass heroine. Her role on the cheesy TV sitcom *Spy Girls*™ has garnered her a male cult following, fan sites, and a hefty bank account. Okay. So it's not Scorsese or Spielberg, but at least she's in front of the camera doing what she was born to do. Faster than a director yells, "Action", her life goes from Hollywood to Hollyweird when she wakes up in Arizona, disoriented and caked with blood. With several hours of her life unaccounted for, Sofia finds herself on the run and under the protection of a man who once broke her heart with a single kiss. On his last undercover case, Special Agent Joe Bogart crossed his personal line of honor to bust a crime family and their million-dollar drug ring. Afterwards, he retreated to an isolated home in Arizona to make peace with his past and to rid himself of his fascination with his sister-in-law's badass sister. The last thing he wants is more intrigue. The last thing he needs is Sofia Marino. Now the woman he can't get out of his mind is back in his life. Her smack dab in the middle of a murder mystery and in danger of losing his heart. Sofia and Joe embark on a mission to save not only themselves, but also their friends and family. If they succeed in staying alive, will these two jaded souls then risk their hearts on each other, or will they forever remain seduced?
